Hi, so I have not edited these questions or responses. I know they needed consolidating and editing. May be worth taking a crack at editing them and I can then edit after you, if they even want Q&As. - Kathy

Hey Kathy,

I hope Florida has been fun or at the very least informational. I wanted to deliver to you the roughest of rough drafts for the FRN Question and Answers. I saw rough because there's still a lot I don't know as to 1. How the Agency handles Public Comments, 2. Certain aspects of the 404 g program (specifically tribal affairs) and 3. I just did the broad brush of common (substantive) comments that we are likely to guess.

When you get back can we schedule a time sit down and go over these.

Also in that same meeting perhaps you can fill me in on what happened in Florida. I kept my eyes peeled for a call-in number but I never saw one.

Looking forward to hearing from you. If I don't before Friday, I hope you have a wonderful weekend and a safe trip back.

Sincerely,

Stephanie
